

Personal Profile

In order for Housing & Residence Life to find the best roommate for you, it is important that you answer the following questions completely and honestly. The following questions will guide Housing & Residence Life in the roommate matching process, so that students with similar living styles or habits can be placed together. However, even with these questions Housing & Residence Life is not able to guarantee a perfect match with your future roommate. The answers that you provide will only be used for matching purposes and will not be used outside of Housing & Residence Life.
