Instructions to student and parent/guardian:

If you complete and return this form by the due date listed above, a space will be held for you in this Summer Honors Institute. Because space is limited in Summer Honors Institutes, do not indicate your commitment to attend the Summer Honors Institute unless you are certain you will attend. If you commit to attend and do not attend the Summer Honors Institute, the space reserved for you will go unfilled and another gifted student who would have attended may be needlessly denied the opportunity to participate. Therefore, as a courtesy to the Summer Honors Institute and other students, please consider your plans carefully before returning this form. Funding for the Summer Honors Institutes is contingent on approval by the State Legislature.
